DELIVERING THE LATEST PLUMBING INNOVATION FROM SHARKBITE

Porter Pipe's extensive inventory of SharkBite products spans everything from tees, stops and couplings to water heater connectors for a variety of plumbing job types. Using SharkBite's Brass Push technology, these products are put to use on over five types of pipe, including PEX, copper, CPVC, PE-RT and HDPE, and can be connected in as little as three seconds. Combined with our 98% fill-rate and next-day delivery, it's never been easier or more efficient to finish your plumbing projects.
